

BRIDAL HOUSE

& DRESSMAKERS WORKSHOP

Welcome to our Loan Me Programme!

You must agree to these TERMS AND CONDITIONS of use for the Loan Me Programme:

- You have the opportunity to borrow up to 3 Bridal House gowns and try on in the comfort of your own home.
- Our Loan Me programme is designed to give you time to ask opinions of family and friends—or not! This time is exclusive to you and may save you hours of searching for the perfect dress.
- Cost is £20 per gown which includes delivery and collection from a domestic address that you provide.
- You may borrow the gown/s for 3 hours.
- Each gown is a sample, and sizes are not guaranteed. Some gowns may be larger or smaller than your measurements.
- The gown must be returned in the same manner that it was received. By agreeing to these terms, you are agreeing to full responsibility for any damages to the gown while in your care. Samples must be returned to us in the original condition that you received them in with the tags still on. If samples come back and they're damaged but we can repair them, you'll be charged a fee that's determined by the extent of the damage. However, if the dress is returned and there's no fixing whatever is wrong with it (such as they are dirty, stained, coated in animal hair, or have a strong odour) you'll be responsible for paying the full retail price of the dress.
- Gowns borrowed through this programme are for the sole purpose of trying on a wedding gown prior to purchase.

I, _____ (print full name) have read and agree to all terms and conditions for the Loan Me Programme. I understand these terms and accept complete responsibility for each gown that I borrow and that if there is any damage I will be charged.
